

BOUNCY CASTLE TERMS AND CONDITIONS – TK HIRE 2020 LTD

TK Hire puts safety first. Castles are a great choice to make your function fun and memorable. To Ensure everything runs smoothly, we have put together some rules with your safety in mind.

TK Hire reserves the right to cancel any booking on the day, if the staff feel there are factors involved that could jeopardise the safety of the users. All safety requirements outlined in our terms and conditions must be followed to ensure a safe and fun day.

Terms and Conditions

It is the responsibility of the person that is hiring/supervising the bouncy castle to ensure that all possible steps are taken to avoid damage to the Bouncy castle or injury to the users. Please make sure that the following safety instructions and rules are followed:

THERE IS 8 TIEDOWN POINTS ON THE CASTLE WITH PEGS SUPPLIED. THESE MUST BE USED PRIOR TO INFLATION AND REMOVED AFTER DEFLATION.

IT MUST NOT BE USED WHEN IT IS RAINING

THE CASTLE CANNOT BE USED IN THE WIND ABOVE 25KM/Hr

CHILDREN MUST BE 12 AND UNDER TO BOUNCE ON THE CASTLE

MAX 8 KIDS AT A TIME OF A SIMILIAR AGE

1. Do not take shoes, jewellery, glasses, badges, toys or any sharp object on the Bouncy Castle that could cause harm to persons or damage to the inflatable.
2. No eating, drinking or chewing gum while on the Bouncy Castle.
3. Please keep a clear area around the base of the Bouncy Castle of 2 metres.
4. No face paints, silly string or party poppers to be used on the bouncy castle. No flammables near the bouncy castles, this includes smoking or BBQ's.
5. No jumping on to and hanging off or sitting on the walls and netting.
6. No animals permitted on the bouncy castle
7. Do not overcrowd the bouncy castle. Avoid large and small children jumping at the same time.
8. Please ensure that a responsible adult aged 18+ is supervising the use of the bouncy castle at all times.
9. No attempting somersaults, jumping off the castle, wrestling, fighting, pushing or behaviour that could cause injury.
10. Do not allow anyone with a history of neck or back problems to use the bouncy castle or equally anyone who is unwell.
11. During inflation and deflation, it is prohibited for anyone to be on the bouncy castle as this is dangerous and could damage the castle.
12. Do not allow the blower to get wet and the jumping area becomes wet at any time it should not be used, any wetness including bubbling (which is normal) can be dried off with a towel

13. In the event that the blower stops working, please ensure all users get off the inflatable immediately, then check that the blower tube or deflation tube has not come undone or something has not blown onto it and is obstructing the blower.
14. In the event that it overheats, or loses power, switch the blower off at the mains and inform us straight away.
